## Education

---

### Kazakh-British Technical University

*Bachelor in Computer Science, Information Systems*

Sep. 2019 – May 2023

GPA : 3.48/4.0

### Astana IT University

*Masters in Computer Science, Computer Science and Engineering*

Sep. 2023 – May 2025

GPA : 3.65/4.0

## Experience

---

### Tax.kz

November 2023 – April 2024

*Front End Developer*

*Astana*

- Designed and developed the landing page and core components of the application
- Implemented API integrations to enable seamless data retrieval and functionality.
- Connected and synchronized backend services with frontend interfaces for a unified system
- Built a document management system to streamline the processes of creating, editing, and managing document workflows.

### Nimbl

May 2024 – Present

*Front End Developer*

*Astana*

- Developed a Learning Management System (LMS), ensuring seamless user experience and robust functionality.
- Worked with animation libraries such as Framer Motion and GSAP to create interactive and dynamic user interfaces.
- Integrated Artificial Intelligence (AI) capabilities to enhance system efficiency and user experience.
- Implemented payment systems by integrating the Ioka payment gateway for secure and efficient transactions.
- Utilized libraries like Tanstack Query and TRPC for efficient and scalable backend communication.
- Developed a custom call system with advanced functionalities.
- Integrated document management functionality, enabling streamlined document creation, editing, and storage workflows.

## Technical Skills

---

**Programming Languages:** JavaScript, TypeScript, C++, Go

**Frameworks and Libraries:** React.js, Vue.js, Next.js

**Databases:** PostgreSQL, MongoDB

## Achievements

---

- Graduated from school with gold medal
- IELTS 6.0
- ACM ICPC NEERC Quarter-final (Almaty, Kazakhstan, 2020)
